The original article entitled “Evaluation of the designed multi-epitope protein of *Brucella melitensis* in guinea pigs” corresponded by Mojgan Bandehpour was published with incorrect acknowledgment.

Due to author request the acknowledgment below should replace the ones in the original article.

The results presented in this paper were part of a student thesis. The authors would like to thank the staff of the Cellular and Molecular Research Center at Shahid Beheshti University of Medical Sciences, Iran and Razi Vaccine and Serum Research Institute, Iran. This study was funded by the National Elites Foundation [grant number 94811704] and Shahid Beheshti University of Medical Sciences [grant number 12003].
